Bon any nou a tothom!

Aquest passat mes de Desembre hi van haver un munt d'activitats organitzades i totes han estat un èxit. El primer festival de Cinema Català a Escòcia va tenir una bona recepció per part del públic i el dinar de Nadal que vam celebrar fa un parell de setmanes a Glasgow també vam ser-hi una bona colla. Podeu trobar algunes fotografies dels actes al nostre blog de notícies.

De cara aquest any 2013, per començar, tenim una cita molt important el dia 9 de febrer de 6 a 7.30 de la tarda: l'Assemblea General. Aquest és l'espai i el moment on farem balanç d'aquest any passat i totes les noves propostes de cara l'any vinent es presentaran i es discutiran. Us animo moltíssim a assistir-hi. Jo sempre he pensat i dit que el CCE serà i farà tot el què tots els membres volgüem que sigui i faci. L'Assemblea General és el lloc per a decidir-ho.

Happy New Year!

EDITORIAL

During this last December there have been plenty of organised activities and they all have been very successful. The first Catalan Film Festival in Scotland was well received by the public and many families celebrated the Christmas lunch a couple of weeks ago in Glasgow. You can find some pictures of these two events in our news blog.

Regarding the year 2013, to begin with, we have a very important date on February the 9th from 6 to 7:30 pm: the Annual General Assembly. This is the place and time where we assess last year's activities and where all new proposals for the next year will be presented and discussed. I encourage strongly attending it. I have always thought and said that the SCC will be and do whatever they members want to be and do. The General Assembly is the place to decide these things.

2 The TV programme in TV3 "Afers exteriors" presentend by Miquel Calçada is looking for stories of Catalans living in or around Edinburgh. They are looking for unusual personal stories and Catalans who have some link with surprising aspects of Scotland. Any proposal will be very welcome and should may be sent to Francesc Orteu "francesc.orteu@gmail.com" until the 20th of January 2013.

3 Catalan! Arts is intended to identify and internationally disseminate the production of the cultural companies based in Catalonia (<http://www.catalanarts.cat/web/?q=en>).
